# NEW for 2009 – Youth Worker Training Cooperative

## Youth Resources will bring training and support to Urban Youth Workers.

Youth Resources is beginning an Urban Youth Worker Training Cooperative. This training program is for volunteers, part time and full time youth workers and others that are concerned about helping to rescue our youth. Youth worker volunteers, part time workers and potential candidates usually have little to no training. In order to help get more individuals on the street working with youth we will start a monthly training program with a quarterly rotation with four training partners.

Youth Resources will become a membership organization. As a membership organization this will be your organization - you will feel a sense of ownership. The membership dues will be very inexpensive to build critical mass. We will provide training thru a cooperative training network for those who are members at no additional charge other than membership dues. A nominal fee will be charged for non-members.

This will give you and your church an opportunity to be more effective, encouraged, and to make a difference in the city for the Kingdom of Heaven.

We will continue our free lunch for Members and Non-members on the third Wednesday of every month from 11 – 1 at North Central University for youth workers.

## How Much Will it Cost ?

Membership dues will be \$300.00/year for an individual and \$700 for three or more from the same organization.

In order to do this we will raise approximately another \$70,000 above the dues to underwrite administrative, material and training costs.

Being a Member will allow you to attend all the training for no additional charge.

Starting in February we will be signing up members and the training will start in April. We will start a schedule that is friendly to part timers and volunteers with Saturday trainings that will look like this –

## Training Schedule

The first month of the Quarter;  
a half day Saturday training. Jan, April, July, Oct

The second month of the Quarter;  
a full day Saturday training. Feb., May, Aug., Nov.

The third month of the Quarter;  
a large combined outreach activity. March, June, Sep., Dec.  
(The June outreach will be a camp weekend or week)

## But that's not all...

You will have first access of the resources that are made available to Youth Resources such as...

Concert Tickets, Gift Cards, cotton candy machine, pop corn popper, generator, LCD projector, Date nights, and scholarships for conferences and regularly scheduled training events.

## But that's not all...

## Mentors, Prayer Partners and Accountability Groups

Youth Resources will work with every member to have them participate in a mentoring program, a prayer support group for YOU and we will encourage you to be involved in an accountability group.

## Be one of the first to sign up.

The first 12 people to sign up will also receive a free Youth Resources shirt and brief case.

Sign up for:	Price	Total
