Church Partnerships For Urban Youth Workers

THE NEHEMIAH INITIATIVE

In North Minneapolis, about 5% of churches (about 1 in 20) have a full-time youth worker. Yet most of the problems in the community stem from youth issues.

The NEHEMIAH INITIATIVE contracts with local churches to fund their youth worker to be employed equal to a full-time position. As a *Nehemiah Fellow* Youth Resources and the Partnering Urban Church will work hand in hand to equally use their time and equally divide their salary.

Creative Works For Urban Youth

“To burn with the fire of God but not be burnt up.” Exodus 3:1-6 That is the code of Burning Bush Creation. Just as Moses’ attention was drawn by the burning bush at Sinai, so we aim to draw people’s attention with our “Burning Bush” creations.

Burning Bush Creation is a non-profit, subsidiary of Youth Resources. BBC specializes in the creation of original “Out of The Box” media. Creating illustrations, publications and graphics for urban churches and youth. We produce our own original material and work on commissions.

Burning Bush Creation creates products that are unlike the rest.
