

Ron McConico and Youth Resources,

Thank you for such a delightful time on Friday evening at the Latin Fundraiser. I had a lot of fun and was blessed with the raffle ticket gifts that I took home.

Each one of the gifts came at a great time for our household. We are on one income and so these items were right on time. We won two free oil changes from Bobby and Steve's Auto World, along with a gift card and "Momma Becky's Pumpkin Bread." As a youth worker, it seems like there is little time to run for an oil change and at times, harder to give up the money to get one done. Now, we can get an oil change before winter and then in the spring. Praise God for the gift card too, it will come in handy for gas really soon. Becky's pumpkin bread...need I say more? "Yummy!!!"

During the raffle, we also received an Epson Photo printer. I knew that I needed a new one, but was even more blessed when I realized that the printer specializes in photo's and printing onto CD/DVD. Awesome!!! This will be beneficial to both my husband and I in many ways pertaining to ministry! I love photography and now I can print my own pictures for my needs as well.

I did receive a free Arthur Murray package to check out their studio, however, earlier in the evening my friend mentioned that she was interested in Arthur Murray lesson but it was expensive. When I received the package, along with "Momma Becky's Pumpkin Bread" I knew that it was to go to her. Yes, I gave her the pumpkin bread too!

I truly hope that the evening was a blessing to Youth Resources as it was for me and everyone else that attended. I love to dance and it was a fun way to spend the evening with others. If I can help in the future with fundraisers or getting the word out, please let me know. Youth Resources has been such a blessing to me as a youth worker and I totally love the McConico's! Thank you again!

Sincerely,
